

Kattered Tails

## Temporary Foster Agreement/Owner Drop Off Agreement

I \_\_\_\_\_, understand that Kattered Tails has agreed to Spay/Neuter, Test, give Vaccinations (4in1 & Rabies), Worm my cat/kitten or the stray cat/kitten/kittens I have rescued. The rescue has agreed to cover the cost of all medical care if I continue to foster cat/kitten/kittens and show them at all weekend adoption events until they are adopted.

I agree that cat/kitten/kittens \_\_\_\_\_, are now the property of Kattered Tails and myself until adoption. I have completed the surrender form and legally signed my name to this form. I also agree that since they are the property of Kattered Tails and myself no medication/supplements can be given to the cats/kittens unless prescribed by the rescues Veterinary practice. I will also abide by the practices set forth by Kattered Tails and will communicate any problems with assigned personal.

I agree that I will drop off the cat/kitten/kittens at assigned adoption location. They will be dropped off and pick up at times given. I understand that not returning to pick up these cats/kittens is considered illegal dumping of an animal under Arizona law and is a criminal offense. I understand that Kattered Tails will notify the police department to report the crime and submit all information to the police and file charges.

If there are any Vet records on my cats/kitten/kittens I have provided all records to Kattered Tails.
